

MedStar Health

Labor and delivery visitor policy.

- Only two approved visitors are allowed for the duration of labor and delivery, one of which may be a certified doula.
- Visiting hours are not restricted.
- One approved visitor is allowed for the duration of the patient's stay, who may leave and re-enter once per day.
- Everyone will be screened for COVID-19 symptoms at the front desk upon arrival.
- All visitors must wear a face mask. One will be provided, if necessary.
- MedStar Health will work to support your visitor's dietary and hygienic needs.
