### COVID-19 Pandemic Amendment to Memorandum of Understanding Nursing and Allied Health

**NAME OF SCHOOL:** \_\_\_\_\_

**DESCRIPTION/TYPE OF LEARNERS:** \_\_\_\_\_

#### PURPOSE

In order to ensure the safety of all learners, faculty, health care workers and patients during the COVID-19 pandemic, the following terms are set forth as an amendment to the MOU between **MedStar Health [ENTITY]** and \_\_\_\_\_  
\_\_\_\_\_ **[SCHOOL/INSTITUTION]** entered into this \_\_\_\_ day of \_\_\_\_\_, 2020.

#### SCHOOL/INSTITUTION AGREES TO THE FOLLOWING:

1. School understands that it is MedStar Health's expectation that everyone, including students, care for all patients, within the scope of their ability, education and license. However, MedStar Health will not assign students to known COVID/PUI patients.
2. School confirms that MedStar Health is not responsible for providing health insurance or worker's compensation coverage, or any other benefits of employment to students; school shall communicate this to students.
3. School agrees all students assigned to MedStar Health entity will comply with MedStar's PPE policies and requirements.
4. School agrees that all students must complete MedStar Health required PPE training prior to start of educational/clinical rotation.
5. School understands all students must utilize MedStar Health provided PPE.
6. School will assure each student assigned to MedStar Health entity is fit-tested for an N95 respirator prior to arrival, and student knows the size and type of N95 they have been fit to.
7. MedStar Health allows individuals who are pregnant or immunocompromised to request to be exempt from caring for COVID patients. If any student who qualifies for an exemption wishes to be exempt, School must proactively notify MedStar Health designee (listed below) of the request, and the reason for it. MedStar considers other requests for accommodation on a case-by-case basis. MedStar has the right to decline any student rotation if the educational purpose of the rotation cannot be reasonably fulfilled because of the exemption or accommodation needs of the student.

#### MEDSTAR HEALTH RESPONSIBILITIES

1. MedStar Health will provide Occupational Health services, including screening, testing, quarantine assistance and return to work support to a student in the event that the student becomes ill while rotating with MedStar Health.
